

## **Discover Camano Island and the Unique Role of the Mosquito Control District**

Are you ready for a rewarding opportunity? The Camano Island Mosquito Control District Manager position offers just that! Nestled in a picturesque environment, this role allows you to contribute to a vibrant community. Here's what makes it special:

### **1. Location and Accessibility:**

- Camano Island, situated approximately 50 miles north of Seattle, boasts stunning natural beauty. Unlike many Puget Sound islands, it doesn't require a ferry ride for access.
- Explore Camano Island's charm at Camano Island Chamber <https://camanoisland.org>

### **2. District Scope:**

- Covering approximately 8 square miles, the mosquito control district does not cover the entire Island but focuses on targeted areas.
- As the manager, you'll work from a home office equipped with essential tools, including a desk, computer area, and lab equipment (microscope, magnifying glass, digital microscope, and RAMP West Nile Virus test unit).
- Our equipment is stored in a convenient rental unit.

### **3. Cutting-Edge Technology:**

- The district operates two UAS units (Drones):
  - DJI Phantom 4 Pro: Ideal for scouting and water surveillance.
  - Precision Vision 13: Used to apply larvicides in larger and hard-to-reach zones.
- For heavy-duty tasks, our Electric Power Wagon can carry up to 500 lbs.
- You'll also have access to the district pickup for official activities.

### **4. Independence and Growth:**

- While we're a well-established organization, you'll have the autonomy to shape your goals within the work environment.
- Opportunities abound for expanding your knowledge and skills.

### **5. Community Life:**

- Camano Island offers a variety of shopping and dining options.
- Nearby Stanwood adds to the diversity of experiences.
- The Stanwood Camano School District ensures quality education for kids.
- Sports enthusiasts, music lovers, and outdoor adventurers will find their niche here.

### **6. Volunteer Opportunities:**

- Engage with the community through various volunteer organizations.

- Whether it's sports, arts, or environmental causes, there's something for everyone.

Join us on Camano Island and make a difference in mosquito control while enjoying the island's unique lifestyle!
